

# How to use EasyChair to submit your paper

SMC Data Challenge 2022

Use SMC2022 EasyChair Link

<https://easychair.org/conferences/?conf=smc20220>

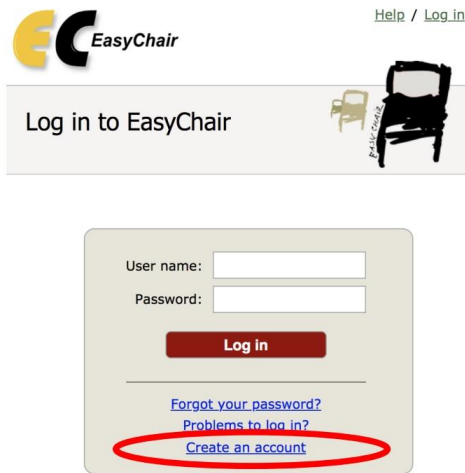

**Solution Paper Submission:**

Papers should be between 10 and 12 pages in length and contain the following sections: a proposed solution to one of the data challenges, background and related work, approach and uniqueness, results, and contributions. Your code may be included as an appendix to the pdf beyond the page limit.

Solutions will be scrutinized by the data sponsors and the program committee on how well they solve the tasks related to the challenge.

[Create an account](#)

<https://easychair.org/>

1. Click Create an account
2. Fill out the resulting form
3. Wait for email confirmation (5 mins)
4. Fill out your profile information. It will take upto 30 mins to set up your account.

# Setting up your submission

1. Start from the SMC2022 conference link  
<https://easychair.org/conferences/?conf=smc20220>
2. Login
3. Click “Make a new submission”

Track: \*

- Session 1. Foundational Methods Enabling Science in an Integrated Ecosystem
- Session 2. Science and Engineering Applications Requiring and Motivating an Integrated Ecosystem
- Session 3. Systems and Software Advances Enabling an Integrated Science and Engineering Ecosystem
- Session 4. Deploying Advanced Technologies for an Integrated Science and Engineering Ecosystem
- Session 5. Smoky Mountain Data-Challenge 
- Session 5a. SMCDC Data Sponsors
